ITEM No: 17-BOS- 1

Modification of Program Core Course in B.Tech Curriculum - Electrical & Electronics Engg. Department

Resolution of the BOS

The BOS resolved to recommend to the Senate for approval of the modified course contents of "EE200 – Circuit Theory" for B.Tech Curriculum of Electrical & Electronics Engineering Department.

Resolution of the Senate

The Senate resolved to approve the recommendation of the BOS regarding modified course contents of 'EE200 – Circuit Theory' for B.Tech Curriculum of Electrical and Electronics Engineering Department.

ITEM No: 17-BOS- 2

To define & approve equivalent subjects for students who have got FF or FA grade in courses – E&C Engg. Dept.

Resolution of the BOS

The BOS resolved to recommend to the Senate for approval of the list of equivalent subjects for students who have got FF or FA grade in courses at the B.Tech level before the revision of B.Tech Electronics & Communication Curriculum. The Chairman also requested all the HOD's to prepare a similar list with respect to their Curriculum and submit to the Dean (Academic) office so as to place the matter in the next Senate.

Resolution of the Senate

The Senate resolved to approve the recommendation of BOS.

ITEM No: 17-BOS- 3

Changes in B.Tech Curriculum 2010 onwards – Information Technology Dept.

Resolution of the BOS

The BOS discussed the course structure and course contents of the proposed changes in the B.Tech Information Technology Curriculum to be implemented from the academic year 2010-11 onwards. The members suggested lot of changes in shifting of certain courses and also the course contents of certain courses and listing of open electives in the Curriculum. The HOD of Information Technology Department is informed to submit the revised Curriculum after the approval of DUGC and submit to the Dean (Academic) office for placing it in the next Senate.

Resolution of the Senate

The Senate resolved to approve the revised B.Tech curriculum of Information Technology from 2010 onwards.

ITEM No: 17-BOS- 5

Addition of two new open elective Courses for B.Tech Programme – Civil Engineering Department.

Resolution of the BOS

The BOS resolved to recommend to the senate for approval of the suggested courses for inclusion in B.Tech Programme of Civil Engineering as open elective courses.

- i) CV475 : Oil and Natural Gas Exploration (3 credits)
- ii) CV476 : Disaster Management and Mitigation (3 Credits)

Resolution of the Senate

The Senate resolved to approve the recommendation of BOS with respect to the introduction of two open elective courses in B.Tech programme of Civil Engineering Department.

ITEM No: 17-BOS- 6

Addition of Advanced Welding Technology course in the list for M.Tech programme (Materials Engineering) as an elective - Metallurgical & Materials Engg. Dept.

Resolution of the BOS

The BOS resolved to recommend to the Senate for approval of the addition of the “PM803- Advanced Welding Technology (3-0-0) 3” course in the list for Materials Engineering programme as an elective course.

Resolution of the Senate

The Senate resolved to approve the recommendation of BOS regarding the addition of the “PM803- Advanced Welding Technology (3-0-0) 3” course in the list for Materials Engineering courses as an elective course.

ITEM No: 17-BOS- 7

Introducing a new PG Program - M.Tech in Information Technology- IT Dept.

Resolution of the BOS

The BOS resolved in principle to approve the proposal of starting a M.Tech course in Information Technology in Information Technology Department of the Institute from 2010 -11 onwards. The members of the BOS felt that there should be an emphasis on Mathematical courses and the course contents need large

revision. The BOS resolved to request the Head of the Department of Information Technology to discuss the suggested changes in consultation with Computer Engineering Department and submit the revised course structure and course contents to the Dean (Academic) to be placed in the next Senate for discussion and approval.

Resolution of the Senate

The Senate in-principle approved the introduction of the new M.Tech programme in IT Dept. from the academic year 2010 onwards. The Senate approved the eligibility criteria, course contents and course structure of the proposed M.Tech (IT).

Further, it was resolved that the proposal of starting the M.Tech programme in IT dept. along with the above recommendations be placed in the next BOG meeting for its consideration and approval.

ITEM No: 17-BOS- 8

Introduction of a new elective course for M.Tech programme in Electrical & Electronics Engg. Department

Resolution of the BOS

The BOS resolved to recommend to the Senate for approval of the proposal to introduce a new elective course "PS866 - Gaseous Insulation & Gas Insulated Systems (3-0-0)3" for M.Tech Programme. The Head of the Departments was requested to revise the reference materials for the course.

Resolution of the Senate

The Senate resolved to approve the recommendation of BOS to introduce a new elective course "PS866 - Gaseous Insulation & Gas Insulated Systems (3-0-0)3" for M.Tech Programme.

ITEM No: 17-BOS- 9

Introduction of a new, advanced course - Electrical & Electronics Engg. Dept.

Resolution of the BOS

The BOS resolved to recommend to the Senate for approval of the proposal to introduce a 900 level course "EE919 - Selected topics in condition monitoring techniques for electrical equipment". The Head of the Departments was requested to revise the reference materials for the course.

Resolution of the Senate

The Senate resolved to approve the recommendation of the BOS to introduce a 900 level course titled "EE919 - Selected topics in condition

monitoring techniques for electrical equipment” in the department of Electronics and Electrical Engg.

ITEM No: 17-BOS- 10

Ratification of a new elective course for M.Tech programme - Civil Engg. Dept.

Resolution of the BOS

The BOS resolved to ratify the action taken by the Chairman Senate for the introduction of “CM812 - Excavation Technology for Construction Projects” for M.Tech Programme.

Resolution of the Senate

The Senate resolved to ratify the action taken by the Chairman Senate for the introduction of the course “CM812 - Excavation Technology for Construction Projects” for M.Tech Programme.

ITEM No: 17-BOS- 18

Meeting of the Deans (Academic) of all NITs held at NIT, Hamirpur

Resolution of the BOS

The members of the BOS in principle agreed with the proceedings of the meeting of Deans (Academic) of all NIT. Members felt that the student and faculty exchange will bring better interaction and possibility of joint projects and Ph.D guidance. Members felt M.Tech and Ph.D scholars will benefit through this exchange to utilize the specialized equipments / instruments and also utilize the faculty expertise in specific areas of research. The Chairman of BOS requested the Head of the Departments to review their Curriculum and make necessary changes so that the core courses can be completed in the first three years of the programme, so that students can utilize the final year period for exchange programme.

Resolution of the Senate

The Senate in-principle agreed with the proposal to encourage both faculty and student exchanges among NITs. The Senate also resolved that there is a need to look into the course structure of all the programmes so that proper framework of courses, rules and regulations can be formed to facilitate this process.

ITEM No: 17-BOS- 19

To integrate Disaster Management (DM) education within the formal systems of higher education

Resolution of the BOS

The BOS discussed the contents of the UGC circular regarding the introduction of Disaster Management (DM) in engineering and action has already been initiated as per ITEM No: 17-BOS- 5.

Resolution of the Senate

The Senate noted the action taken with regard to introduction of the Disaster management and requested all Heads of Departments to incorporate the concepts in various courses being taught in their discipline.

ITEM No: 17-BOS- 20

Academic and research collaboration between NITK and Infosys – Dean (R&C)

Resolution of the BOS

The BOS discussed in detail the proposal from Infosys for academic collaboration and starting of a PG Programme in Software Engineering to cater to their employee's educational qualification up-gradation. The members felt though it is desirable to start PG Programmes taking into account the needs of the Industry, the course contents for such programmes requires large discussion taking into account the skills / background of practicing Engineers. It is felt that an M.Tech course can be designed in the emerging areas where personnel from industries can be allowed to join this programme if they meet the eligibility norms of the Institute. A committee consisting of Head of the Departments of Computer, Information Technology, MACS with Dean (R&C), as Chairman was constituted to discuss the issues and concerns raised in this regard and to modify the proposal and submit to the Dean (Academic) office to be placed for the next Senate.

Resolution of the Senate

The Senate resolved in-principle to approve the proposal of starting of a PG programme in Software Engineering. The Senate observed that course contents of the subject programe should meet the requirements of the practicing Engineers from a wide spectrum of I.T industry.

The Senate further resolved the IT dept. can interact with IT service Industry to finalize the course contents and specifically elaborate on the deliverables. The modified scheme with eligibility conditions is brought to the next Senate for discussion and decision.

ITEM No: 17-BOS- 21

Constitution of M.Tech (PWEC) – Electronics & Communication Engg. Department

Resolution of the BOS

The BOS resolved that the M.Tech project work evaluation committee at the IIIrd semester level will be constituted with Chairman of DPGC or nominee, Guide(s), and at least one referee from within / outside the Department in M.Tech / MBA Programme.

Resolution of the Senate

The Senate resolved to accept the recommendation of the BOS.

ITEM No: 17-BOS- 22

Changes in Course Structure and Inclusion of foundation course, elective course and seminar in the MBA Curriculum – HSM Department

Resolution of the BOS

The BOS resolved to approve the proposal for certain changes in the course structure of MBA programme and changes in the course contents. The members suggested certain changes in the course contents and introduction of concepts of ethics in course MBA705. The Head of the Department of Humanities, Social Sciences and Management was requested to modify as per suggestion and submit to Dean (Academic) office for placing it in the next Senate.

Resolution of the Senate

The Senate resolved to approve the modified course structure and Course contents proposed for existing MBA curriculum.

ITEM No: 17-BOS- 24

Change the name of the Department – Computer Engineering Department

Resolution of the BOS

The BOS resolved to approve the proposal of the Department of Computer Engineering to change the name of the Department to Computer Science & Engineering Department. The Head of the Department explained since the majority of courses related to software and emphasis less on hardware subject, the name of the Department can be changed to Computer Science & Engineering Department. The BOS resolved to recommend to Senate for approval and later forward to BOG of the Institute for a decision.

Resolution of the Senate

The Senate resolved to approve the recommendation of the BOS regarding the proposal for the change in the name of Department of Computer Engineering to “Computer Science & Engineering department”. The proposal shall be placed before the next BOG for its consideration and approval.

ITEM No: 17-BOS- 25

Revision of Syllabus for M.Sc Programme – Physics Department

Resolution of the BOS

The BOS resolved to approve the proposal of the Physics Department regarding the change in M.Sc Physics Curriculum and the course contents of the courses “PH 801 Vacuum Technology and Thin Films (3-1-0) 4”

Resolution of the Senate

The Senate resolved to approve the recommendation of the BOS regarding the change in M.Sc Physics Curriculum and the course contents of the course “PH 801 Vacuum Technology and Thin Films (3-1-0) 4.”

ITEM No: 17-BOS- 27

To Remove “MT240 - Introduction to Materials” course from the Curriculum- Metallurgical & Materials Engineering Department

Resolution of the BOS

The BOS decided to drop the course “MT240 - Introduction to Materials (1-0-0)1” course from the curriculum of Metallurgical and Material Engineering Department.

Resolution of the Senate

The Senate resolved to approve the recommendation of the BOS.

ITEM No: 17-BOS- 28

To Convert "MT400 - Phase transformations" course to a 4 credit course -
Metallurgical & Materials Engineering Department

Resolution of the BOS

The BOS resolved to approve the proposal of the Metallurgical and Material Engineering Department to convert course "MT 400 Phase Transformations "3-0-0 (3 credits)" to "3-1-0 (4 credits)".

Resolution of the Senate

The Senate resolved to approve the recommendation of the BOS.

ITEM No: 17-BOS- 29

Offer a 5 year integrated Ph.D programme - Metallurgical & Materials
Engineering Department

Resolution of the BOS

The BOS accepted in principle the proposal of Five year integrated Ph.D programme for M.Sc & B.E / B.Tech students. However this requires policy decision involving all the Departments of the Institute. The members also suggested whether dual degree models available in IIT's can be introduced in NITK. The members also felt that the students admitted in such programme must have a clear cut exit conditions. The BOS felt the Senate can take a broader decision on the matter about the introduction of such integrated Ph.D programmes in the Institute.

Resolution of the Senate

The Senate discussed the proposal and gave in principle approval for offering such integrated Ph.D programmes. The Chairman Senate has been authorized to constitute a Committee to examine the entire proposal regarding integrated Ph.D programme in all the departments including Metallurgical & Materials Engineering Department.

ITEM No: 17-BOS- 30

Introduction of New B.Tech and M.Tech courses in the Institute

Resolution of the BOS

The Chairman BOS informed the members that alumni of the Institute has come forwarded to support the starting of new B.Tech course on Gas Engineering. The Chairman also informed that the Institute has at present Centres of excellence carrying out inter disciplinary activities / research. Such centers should offer open elective in interdisciplinary areas and also plan to start new

B.Tech / M.Tech Programmes in emerging areas engineering / technology. The Chairman welcomed the suggestion from members of BOS in this regard. Members of the BOS felt that strengthening of existing B.Tech programmes should be our top priority and starting of new programmes requires a broader discussion at the Departmental and Institute level. The Senate may take a policy decision in this regard.

Resolution of the Senate

The Senate discussed the proposal of Institute alumni to start a new B.Tech course in Oil and Gas Engineering. In view of the BOS recommendation, Senate resolved to authorize the Chairman to constitute a Committee to examine the matter and bring its recommendations to the next Senate meeting.

Item No. 23-Senate-C3: Approval of admissions made to M.Tech (Research) & Ph.D Programme 2009-10 (January session - 2010)
